

THE MACALLAN IS 200 YEARS YOUNG

Two centuries have passed since Alexander Reid distilled the first batch of whisky in his curiously small stills and thus began the extraordinary legacy of The Macallan.

Each and every single malt whisky from The Macallan reveals the unrivalled commitment to the mastery of wood and spirit for which The Macallan has been known since it was established in 1824.

It is an expression of the enduring desire to go beyond ordinary, to seek out the extraordinary, and create peerless single malts.
